Re: *In re Celsius Network LLC*, No. 22-10964 (MG) – Adjournment of  
November 18, 2022 Hearing Date and Interim Deadlines

Dear Chief Judge Glenn:

We write jointly regarding the Debtors' *Motion to Compel Enforcement of the Automatic Stay and for Civil Contempt* [Docket No. 917] and Core Scientific, Inc.'s *Motion to Compel Immediate Payment of Administrative Expenses and for Relief from Automatic Stay or, in the Alternative, to Compel Assumption or Rejection of the Master Services Agreement and Related Orders* [Docket No. 1144]. The parties are currently in discussions in an effort to resolve their disputes. We therefore request that the Court adjourn the hearing currently set for November 18, 2022, and all interim deadlines (including all filings). We further request that the Court set a status conference on this matter for early December 2022, either at the Debtors' omnibus hearing on December 5, 2022 at 2:00 p.m. (prevailing Eastern Time) or such other date as convenient for the Court.
